We discussed how to best welcome the newest members to ROH at our upcoming Riverpalooza worship service on November 19, 2017. We had an email from Pastor Laura with some of the names of the newest folks who have been attending ROH and we discussed possible ways to welcome them. We settled on the “matching” of new members with current members and asking them to have coffee or dinner etc. before November 19 and then introducing them during worship. As we talked about Thayne and Kelly Johnson, Mike W. agreed to contact them; and Ron Johnson said he would reach out to Scott Gross. Jim agreed to work on contacting all of the other people. Jim will also work on finding people to help organize the Pot-Luck following the Riverpalooza service.

In other business, Allen has decided that he will continue to serve on Vision Table through December 2017. And Mike’s time will also conclude in December 2017.

Respectfully submitted,

Jim Nelson
