

Meeting - All in attendance at King's Wok 5.22.17

We have received the Cookies on the Corner Sign-up and updates, so I think we are good on that piece. Information has been shared.

Day-long retreat with the River Table was discussed, 5-6 hour retreat. 8/5 stood out as a potential date. The retreat will be an opportunity to discuss the Vision of our church - Visioning for our future. That date will be mentioned to the River Table to see if that will work out for both groups.

We walked and looked at potential locations for Cookies around the corner (kick-ball and cookie distribution) and talked about details. Having the event 8 times was discussed, but that was changed to 6 at this point in time.

Next Vision Table Meeting will be 6/26 - 6:30 pm- Landy Lodge

Please let me know if anything needs clarification or to be expanded upon.

Best regards,

Jennifer Hansen
