LUTHERAN CHURCH

Welcome.

We are so glad you are here.

Everything you need to participate in worship is projected on the screen.

You are invited into the practice of reading scripture and praying daily. Don't worry about having the right answers or feeling the right feelings when you pick up the Bible or pray. Instead, focus on how can this connect you more closely to the source of love: God.

This is a relationship about a constant flow of love for you and universe. It's the greatest love story ever lived. And you're part of it!

Dig in. Engage. Participate. Find yourself in this story. Push back on it. Dive into it. This is your story and God's story.
