LUTHERAN CHURCH

Welcome! We are so glad you are here.

Everything you need to participate in worship is projected on the screen.

As followers of Jesus we have two very important resources that equip us to do "God's work with our hands" ; reading God's word and prayer.

Reading the stories in the Bible gives us a glimpse of what it means to be in relationship with God. Your story and God's story are connected. There is a flow of forgiveness, love and life between God and all of creation—including you.

Don't worry about the "right" understanding—God is with you as you read. Listen!

Don't worry about having the "right" questions—there are no WRONG questions. Simply read—ask—listen and draw closer to the God who loves you beyond your imagination!

For prayers, see below....
