LUTHERAN CHURCH

Welcome! We are so glad you are here.

As followers of Jesus we have two very important resources that equip us to do "God's work with our hands"; reading God's word and prayer.

Reading the stories in the Bible gives us a glimpse of what it means to be in relationship with God. Your story and God's story are connected. There is a flow of forgiveness, love and life between God and all of creation—including you.

Don't worry about the "right" understanding—God is with you as you read. Listen!

Don't worry about having the "right" questions—there are no WRONG questions. Simply read—ask—listen and draw closer to the God who loves you beyond your imagination!

Thoughts with Pastor Janine...

As we sit with changed plans, ever changing news and so many fear-based responses to this pandemic - let's not forget who we are! We might be limiting our physical "going out" - but we can STILL transform lives! Here are a few ideas:

- * Go outside and take a prayer walk - (remember, social distancing does not mean stay stuck in your house!) Pray for the people inside the homes you pass - the people in the cars that pass you - the business that might be experiencing their own crisis in this time, etc...
- * Write notes to the people at Harmony River, Woodstone, Ecumen, (who am I missing?) This time of no visits can be lonely!
- * Pay attention to the people on the periphery of your life - those who do not have a lot of family or other supports... check in with them to see if they're ok.
