

## River Table Meeting

The River Table met via Zoom on 4/20/2020 with all members present. Pastor Janine opened our meeting with prayer.

Our first agenda item was the River of Hope profile. Pastor Janine led us through the profile with River Table members suggesting a few additions and some minor changes. John Paulsen moved that we accept the profile with the changes. The motion was simultaneously seconded by Kris Hartman and Sara Shorter and passed by the members. We want to extend our sincere thanks to the Transition Team for their excellent work on the document.

Sue followed with the financial report. She has noticed changes to Simply Giving on Mondays after online worship services. A question was raised as to whether Venmo or PayPal had been suggested as an option. In March River of Hope received a large annual contribution. Income for March was \$24,097 and expenses were about \$18,500 resulting in a positive \$5700 for the month and \$6400 to date. We are not being charged for space at the Event Center during the stay at home order. If the order is lifted, we may experience some charges. River of Hope continues with the \$200 minimum monthly contribution for Laundry Love. We will look for guidance in the future as we plan worship for River of Hope.

Our next meeting will be Monday, May 11 at 6 pm.

The meeting closed with the Lord's Prayer.

Respectfully submitted,
