

## **River Table Minutes July 13, 2021**

River Table met on July 13 at Library Square at 5 pm. Charlie Hartman and Andrew Weisenberger were unable to attend.

We began our meeting by sharing our highs and lows. Pastor Hans led us in devotions from Psalm 126 - Harvest of Joy.

### **Pastor's Report**

- Vicar Hans requested a statement from the River Table regarding COVID protocol.
- He discussed a few ideas for future events for River of Hope. One idea for August was a Driveway Worship. This would be a mid week 20-30 minute Worship Servicewith communion.
- The administrative assistant position will be posted soon. The job description is being updated.
- Vicar Hans will be gone Monday through Thursday, July 26-29.

### **Financial Report** by Sue Benson

- Income for June is \$16,000, up from about \$14,000 in May. Event Center expenses are also up as we meet more often in person.
- Quarter 2 Report will be complete soon and will be emailed to us.

### **River Table Items**

- Calendar update is needed. How will announcements be posted? Who will be responsible to do that?
- COVID is a fluid and changing situation.  
Dr. Pollman recommends following CDC guidelines. Masks should be worn (at this time) for those not fully vaccinated.
- Help is needed for sound equipment setup. Are there youth who might be willing to help with that? Do we need to offer to pay for someone to do this?

- Booth at Mcleod County Fair

A suggestion was made that we wait until next year to assess the booth at the Fair as the vaccination rate in Mcleod County is low and teachers are beginning workshop the week of the fair with the early start in Hutchinson.

Our next meeting will be on August 10

We closed with the Lord's Prayer and adjourned at 6:27 pm.

Respectfully submitted,  
Portia Brandsoy
