

## WGO Sept Meeting Minutes

Oct 17th Tie Blanket Event (for all members, kinda required of Confirmation Students)

Sara P. will be contacting Carol K to find out about previous event

Heather F will be scheduling another Card Making Event and contacting Andy K to see if she needs more cards for Letters of Love

Sara P will contact Mike W as he plans to work with RoH to collect items for Jeff Schmidts mission to give backpacks of essentials to Mpls homeless. Maybe the Tie-blankets could be part of that.

Sara P will contact Andy K to work on The Common Cup mission to provide hygiene products for students at the MS and HS. This may be a way to the RoH to participate in the Confirmation kids' collection for the food shelf in Oct.

Sandy is working on the community Book reading event- There will be 3 groups!

Sara N. will be making a list of Thrivent members who may be able to help get Grants to help finance our future WGO events.

Sara P will continue to work on Connecting college students with a RoH member to commit to once-a-month correspondence We still need more addresses, but many connections already have been made during the God's work Our hands Sunday.

We are proud of the work done on Sept 12th. God's work Our hands was very successful in sharing love with essential workers, making Letters of Love Cards, sending College Correspondence, attending and working at the Belonging with Us Event.

We are Going out to Transform lives through Jesus Christ!!!
