The Mission Assessment Team: A Folding Table

[Table “retires” when call committee is formed.]

Members: Louis Bedard, Dale Bransoy, Ane Fitzgerald, Scott Gross-Sand, Janine Olson, Sara Pollmann, Rachel Stearns, Brian Tillman, Sandy Tracy

Our goal: Articulate the mission of River of Hope and complete the Ministry Site Profile, so that the call committee can be guided to find the next pastor.

We met 9/10, 10/1 and the next meeting is 10/29.

Next steps: Congregation and Confirmation class will give feedback on what we value about River of Hope, what our mission is, what gets us excited, what direction do we want to our church headed, what do we do well, what needs improving, what are our challenges.

Wednesday November 6th join the Confirmation Class (past and present) mentors and parents, to give your voice to the above questions. Please come Wednesday, if you cannot be in church Sunday November, 10th.

Sunday, November 10th, the same process will be repeated during worship. (It will be done during the sermon/reflection time.)

10-12 people will be interviewed by Pastor Janine for this assessment.

MAT team members will each interview someone from the larger community about ROH.

There may be small focus group discussions. All this data will be combined to give to the Search Committee.

In Christ, Ane K Fitzgerald
