Many of us haven't truly experienced real starvation before. But, you've probably been very hungry. The body has a way of telling us when we need to eat.

Luke 4:1-13

Temptation

Jesus wandered in the desert for days, praying and talking to God. He didn't eat for many days and he was so hungry!

Suddenly, a mysterious man appeared next to Jesus and smiled a mean smile. The man knew Jesus was God's son, and he wanted to make Jesus do something against God.

Three times he tried to get Jesus to do the wrong thing by promising Jesus a reward.

Three times Jesus refused, using words from the Bible to argue back against the man.

Finally, Jesus had had enough. He said, "Go away, Evil One! I will love and serve only God!"

The man disappeared, and angels came and fed and took care of Jesus. Jesus was glad he had not let the man's promises turn him away from God.

Temptation

Another word for being tested to do something God wants to protect us from.

Special Task Force

Many people do suffer from real hunger. With an adult helper, look online where you can give food to shelters that help feed hungry people in need. Gather together a package and donate it to one of these places.
