

## Did'ja Know?

Life before cars & other modern transportation was very different! What you think it would be like to use animals to get you to where you want to go?

## Palm Sunday

April 10, 2022  
Luke 19:28-40

Jesus and his friends were going to the city of Jerusalem. It was the time of the biggest holiday of the year. The city was full of people. So many people! When they heard Jesus was coming they got VERY excited.

"I see him!" someone shouted. "Riding on a donkey!"

"He's God's promised savior!" shouted another.

The crowds cheered. They waved palm branches. They laid their coats on the road to make a carpet for Jesus to ride on. "Hosanna!" they shouted. "Hosanna to our king!"

Some people who didn't like Jesus got mad. "Jesus," they said, "tell these people to be quiet!"

Jesus said, "Today the whole earth is celebrating. If the people stopped cheering, even the stones would shout for joy!"

## Hosanna

A title people gave to Jesus that means "save us, we pray."

# PICTURE IT — TAKE 2

Only one RCL Kid has a palm branch. Can you give the other kids branches, too, so they can welcome Jesus to Jerusalem? Some kids have two hands open - you can give them two!

## JERUSALEM

Easter is coming soon after Holy Week (this week). Help prepare a special party to celebrate the resurrection for your family and friends. Talk with your parent(s) or other adult helpers about how you can help prepare a special meal or a party.
