Did'ja Know?

"Neighbor" is a word that comes from Old English. "Neigh" meant "near" and "ge-buhr" meant farmer. So it meant the "farmer next door." Ha!

5th Sunday
After Pentecost
Luke 10:25-37

Jesus told everyone that God had only two rules for them. "Love God, and always love and take care of your neighbor."

Someone asked, "But who counts as my neighbor?"

Jesus told a story. "A man was hurt by robbers and left in a ditch. Two people who said they loved God passed right by him but didn't help him."

"That's not okay," said the man.

"But then a Samaritan came by."

"Samaritans don't believe what we believe!" the man said.

"But he's the one who stopped and took care of the hurt man. So who treated the hurt man as a neighbor?"

"The Samaritan. The one who didn't agree with him."

"Exactly," Jesus said. "God wants you to love and take care of everyone, no matter what. Everyone is your neighbor."

GREAT BIG IDEA

Neighbor

All people, not just the people that live close by or we know.

Look on a map to see what towns and cities are nearby yours. What countries? What bodies of water? What state or national parks?

Special Task Force

This week, go online with an adult helper and learn about a different culture from your own. What do kids do in their everyday lives in that place? Would you like to visit?
