

Did'ja Know?

Lots of people feel they don't have enough. That's normal. It begins to be a problem if you let thinking that way rule your life.

Color That Stuff

The two kitties have plenty to pack, but will it all fit? Color the picture and add other things they should remember for their trip.

After Pentecost
Luke 12:32-40

Jesus had lots to say about money. "Don't try to just make more and more and more money. That's not what matters. Trust God instead of money. Use your money to take care of others."

"But I never feel like I have enough money for myself," someone said.

"I need lots of stuff to feel safe," said another person.

Jesus shook his head. "Money can be stolen. Things can break. But the things that matter to God will never be stolen or broken. If you worry too much about money, there won't be room in your heart for God."

Jesus gave the people a lot to think about.

Hoarding

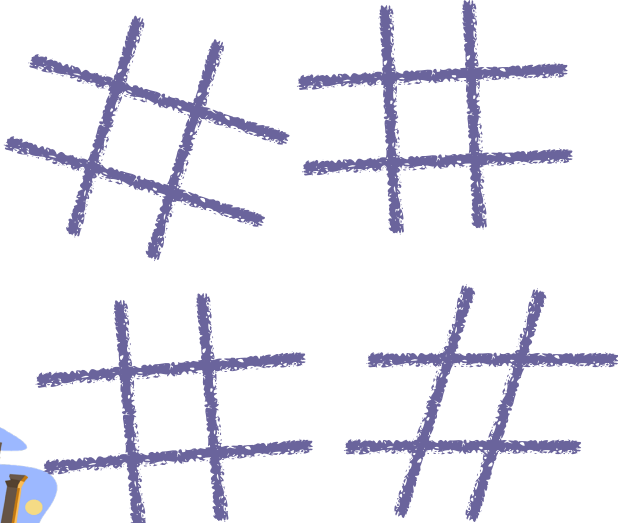

Collecting and keeping more than we need. Hoarding can become unhealthy for you! Trusting God is much healthier.

Maze Time!

Help Jesus' disciples cross the wilderness to get to the town. They want to share about God's love in Jesus.
